

ROBO SOCCER

Remote-controlled bot football, 1v1 or 2v2

Team Size	2-4 members	Entry Fee	Rs. 200
Prize	To be announced	Venue	To be announced

Objective

Two teams control their robot(s) to push a ball into the opponent's goal more times than the opponent within the match duration.

Robot Specifications

- Maximum robot dimensions: 25 cm x 25 cm x 25 cm per bot.
- Only wireless remote control (RF/Bluetooth) is allowed; wired control is not permitted.
- Robots must not use any mechanism designed to damage, trap, or flip the opposing robot.
- Ball-handling and kicking mechanisms are allowed but must not exceed the maximum size limit when extended.

Match Format

- Matches are typically 3 to 5 minutes per half, with a short break in between (subject to change on the event day).
- Format may be 1v1 or 2v2 depending on the number of entries; a knockout bracket will be used.
- A goal is counted only when the whole ball crosses the goal line inside the goal frame.
- In case of a tie, a sudden-death period or penalty shoot-out (bot vs empty goal) will decide the winner.

General Conduct

- Participants must carry a valid college ID card at all times during the event.
- Any form of misconduct, use of abusive language, or unsporting behaviour will lead to immediate disqualification.
- Decisions of the judges and organizing committee are final and binding.
- The organizers are not responsible for any damage, loss, or injury during the event; participants take part at their own risk.
- Participants must report to the venue at least 30 minutes before their scheduled slot.

Safety Guidelines

- Sharp tools, open flames, lasers, and hazardous chemicals are strictly prohibited unless pre-approved by the organizers.
- All electrical connections must be properly insulated; loose wiring may lead to disqualification on safety grounds.
- Batteries must be handled with care; short-circuits or overheating incidents must be reported immediately.
- Safety gear (gloves/goggles, where applicable) is recommended and may be mandatory for certain sub-tasks.

Disqualification Criteria

- Missing the reporting or check-in deadline for your slot.
- Using a robot/device or submission that does not meet the size, weight, or component specifications above.
- Remote interference with another team's device or run.
- Plagiarism or use of an undisclosed pre-built solution where original work was required.
- Any attempt to bribe, threaten, or unduly influence judges or coordinators.

These rules are provisional and general in nature. The organizing committee may issue clarifications, additional rounds, or minor changes closer to the event date; the latest version will always be posted on the PLASMA 2K26 website.
